

Spring 2009

Potential Sponsors of Rochester Youth Fastpitch Softball Association

RE: 2009 Sponsorship

Dear Sponsor:

Once again it is the time of year for our organization to reach out to our sponsors to help fund the coming season! The 2009 Girls Fastpitch season promises to be even bigger and better than 2008! Interest in the fastpitch game continues to grow, and we are expecting more participants (and unfortunately more expenses) than ever.

We are also pleased to announce that the Rochester Fastpitch Complex is ready for play in 2009! Information on this project (and great advertising opportunities) is posted on our website at <http://www.ryfsa.com>

There are two options for sponsoring fees for the 2009 season. For \$500, you will receive a 2-year commitment which includes a team sponsorship, and a fence banner displayed at our new complex. For \$300.00, your company name will be on t-shirts for a 10U or 8U team for one year. Both types of sponsorships receive team photos and a link on our website directly to your company website!

We hope you will see the benefit of sponsoring an RYFSA team this season. Simply note your website address on the bottom of your check we will do the rest! If you want, please submit a business card with your logo as well. Please forward your check with this letter to RYFSA, PO Box 6792, Rochester, MN 55903.

Thank you for consideration and support!

Yours truly,

RYFSA  
Fundraising Committee
